

MEMO FOR DCI

2 Jan 80

From:

1. Fred Hitz would like to set up a breakfast/briefing for Senator Cranston on Friday (4 Jan), at Senator Cranston's request. The breakfast is tentatively set for 0730 (with the "experts" to provide briefings after you leave for the SCC on Iran, if one is scheduled). Fred will be sending you a note on this tomorrow. Subject is Iran/Afghanistan.

NOTE FOR THE DCI
DDCI

FROM Legislative Counsel

SUBJECT Senator Cranston Request for a Briefing on
Afghanistan and Iran

Senator Alan Cranston's office called to request a meeting with the DCI for Senator Cranston on Friday, January 5. Senator Cranston is apparently coming back to Washington for a day of meetings on Iran and Afghanistan prior to returning to California at 5 p.m. that same day. He is meeting Dr. Brzezinski for lunch and Deputy Secretary of State Warren Christopher in the early afternoon. He is willing to come to Langley for breakfast if the DCI can see him.

My suggestion would be to invite Senator Cranston for breakfast at 7:30 on Friday. The breakfast would include the DCI, DDCI and the relevant experts on Iran and Afghanistan. When the Director and Deputy Director have to depart for the daily SCC meeting on the crises, the experts could remain behind to answer any additional questions Senator Cranston might have.

Frederick P. Hitz
